The Gemstone 1812-ID, Infinity Drain, lavatory bowl is Gemstone's commitment to design and innovation providing an invisible infinity drain that is easy to clean with a drain fitting that is accessible if needed. The 1812-ID is sleek in appearance, functional

in design and comes with the performance that Gemstone is known for and critical for today's architects, designers and homeowners. The 1812-ID is ideal for all applications, residential, clinical, commercial, restaurants and laboratories. The depth of the bowl allows for ADA applications all the way to 17" depths, something most bowls cannot do. The 1812-ID does not come with and overflow with an easy to clean slot in the back which will not allow splash back in hospital applications. Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands (acrylic and polyester) with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.

Gemstone sinks are proudly made in the USA and certified by:
